***Special advertising rates and specifications apply to journals listed in bold. Please see individual rate card for each of these journals.**

DEADLINES

SPACE RESERVATIONS — 1st of the month, two months prior to the publication month.

AD MATERIALS — 5th of the month, two months prior to the publication month (i.e., the deadline for a September issue would be July 1st for reservations and July 5th for ad materials). Since journals close at different times throughout the month, please call to verify actual closing dates. If the above dates fall on weekends, then the deadlines will be on the preceding Friday.

The above deadlines apply to all journals unless otherwise specified on the individual journals' rate cards. Cancellations not accepted after closing dates for space reservations and must be submitted in writing.

If artwork cannot be provided by the above deadlines or an extension approved by the publisher, then the publisher will run the most recent artwork submitted. If no artwork is on hand, then the advertiser will still be responsible for payment on the space reserved.
